MATINEE AND EVENING SUMMER PERFORMANCES

Rediscover the Tempel Lipizzans dancing to the soundtrack of our times. From jazz to doo-wop to patriotic musical arrangements, the combination of horses and these contemporary songs is irresistible and an experience to behold.

After 65 years, this cultural legacy remains family-owned and committed to sharing the beauty of horsemanship with all that visit the farm.

Following the show, you will gain access to the stallion stable.

Less than an hour drive from both Chicago and Milwaukee, Tempel Lipizzans is a European gem right in your backyard.

How a *Lipizzan Stallion* LEARNS TO DANCE PRESENTATION

Our equine dancers may be born with the genetic material to perform their graceful moves, but it takes the intersection of a thoughtful rider and a willing horse to create the great expression of harmony through movement for which the Lipizzan horse is known. Each segment is moderated live and takes the time to explain the basics of how Lipizzans are raised, trained, and taught to “dance”. This presentation begins with the youngest of the herd, our 2-6 month old foals with their mothers and follows the progression of stallions from beginning to advanced stages of their training. All of this is followed by a question & answer session with our Program Director and Head Trainer.
